

When the 2022-2023 school year begins, **Vanguard Collegiate of Indianapolis** will offer full in-person learning for all scholars, Grades 5–8.

Full In-Person Learning. Vanguard Collegiate will return to 100% full-time in-person learning for the 2022–23 school year.

Our hope is that all families will benefit from:

- The many social and emotional benefits of in-person support from qualified staff and supportive peer students.
- A newly adopted English Language Arts and Math curriculum.
- Access to multiple academic programs, extracurricular activities and athletics that are available and consistent with the Marion County Health Department’s updated guidelines.
- One-to-one technology, allowing all scholars to have access to their own electronic device to enhance learning. This will also enable short-term remote learning in the event schools and/or classrooms need to be closed and/or quarantined.
- COVID protocols based on guidance from the Marion County Public Health Department that focuses on scholar, staff and family safety.
